

Aloe-Jojoba Conditioning Rinse

As science improves, so do our formulas. We've revamped our old formula to make it synergistically work with Aloe-Jojoba Shampoo. This complementary conditioning rinse is fortified with Vitamin B Complex, Macadamia and Jojoba oils, as well as our Forever Essential Oils Lavender which will give your hair extra shine, your scalp extra moisture and your mane more manageability.

Jojoba has been treasured for its moisture-boosting properties for centuries, but we didn't stop there. We added Macadamia oil which is a fabulous emollient, and is high in unsaturated fat, even higher than olive oil to moisturize your skin and scalp.

Featuring our own Lavender Oil, this pure oil sourced from Bulgaria conditions hair and improves shine.

Lastly, sunflower seed oil rounds out this fabulous foursome of oils because it has high levels of linoleic acid that can assist your skin barrier, helping your scalp to stay moisturized.

Besides paying special attention to your scalp, this oil-rich, pH balanced formula coats your hair shaft to eliminate split ends. Powerful enough to leave your hair softer, shinier and

more manageable but lightweight enough to be used as a leave-in conditioner without heavy build up.
